

1st Capital Bank

POSITION DESCRIPTION

Title: Senior Operations Specialist

Reports to: Operations Service Manager

FLSA Status: Non-Exempt

POSITION SUMMARY:

The Senior Operations Specialist performs a wide range of financial accounting, statistical record keeping, analysis and reporting duties. This position works closely with branch operations and the BSA/Cash Management departments in all aspects of the Bank Secrecy Act (BSA)/Anti-Money Laundering (AML), USA Patriot Act, and Office of Foreign Assets Control (OFAC) compliance. Position requires an understanding of general ledger accounting and financial reporting. A key function of this role is processing the day-to-day activities of the Bank's back office. Processes include tracking and validating control processes, identifying and mitigating risks, and capturing control evidence within the back office thereby supporting branch operations. The Senior Operations Specialist may be assigned to train new employees and may participate in projects, testing and roll out of new processes and procedures.
